Forecast for Tuesday 20 Dec 2022

Weather: Often dry overnight with patchy cloud, but the odd wintry showers possible. Any showers mainly of snow above 800m during daylight hours, falling to 600m in the evening. The showers often light and most likely around Ben Lawers up to Lochnagar, best of the brightness across the Aberdeenshire and Angus hills. Summit gales and severe wind chill, perhaps temporary blizzard conditions at times in the west.

Chance of cloud-free hill tops above 800m: 50% west, 80% east

Low Cloud and visibility: Occasional or extensive cloud mainly near or above the summits, but lowering to 600m in showers. Visibility very good or excellent falling poor or very poor in showers.
